

The ABC's of Careers

Objective: To expose students to a number of different careers by having them brainstorm or research.

Lesson Ideas:

- For younger students, complete the chart as a group. See if students can name a career for every letter of the alphabet. You could share the book *Grandmother's Alphabet: Grandma Can be Anything from A-Z* by Eve Shaw as part of the lesson.
- Older students can research a particular occupation, and then fill in the squares with ideas that are related to that job. For example, if the student were to research being an artist they might write:

A= Art gallery

B= Brushes

C= Canvas

G	H	I	J	K	L
